

# SCHOLARSHIP OF TEACHING AND LEARNING

**SEPT. 29 – NOV. 7  
FALL 2025**

This six-week, online workshop focuses on the hallmarks of effective teaching in higher education. It is appropriate for those wishing to hone the craft of university teaching and those wanting a research-informed foundation before undertaking peer coaching.

The offering is facilitated by Drs. Kristi Dickey and Gina Morris and is structured so that you can complete the work on your schedule; however, you should expect to devote 4–6 hours per week to readings and application tasks.

## Topics Include:

- How People Learn
- Designing Courses that Facilitate Deep Learning
- Feedback & Assessment
- Teaching Strategies
- Motivation & Engagement
